# Classification & Compensation Plan

# Column Definitions

**TITLE CODE** - Number assigned to a classification which designates the occupational group to which the classification is assigned.

**OCCUPATIONAL GROUP / SUB-GROUP** - Indicates the arrangement of classes according to occupational group.

**CLASSIFICATION TITLE / OPTION** - Indicates the class title and option (job specialization) for a classification. The personnel action form should reflect the appropriate alpha code for employees occupying or entering a class containing options.

**TITLE SERIES CODE** - Number under which class specifications are filed.

**CLASSIFICATION GRADE** - Represents a salary range allocated on the basis of internal alignment within the classification plan.

**LEGISLATIVE ADJUSTMENT** - Reflects a special grade adjustment authorized by the Nevada State Legislature to improve recruitment and retention.

**EEO - 4** - A federally mandated letter code which designates eight broad occupational work groups.

**ESTABLISH / REVISE DATE** - Reflects the date on which the specification for a class was established or revised. The number 3 following the date indicates a revision to the specification was minor. The letters *PC* following the date indicates the class was approved by the Personnel Commission. The letters *LG* following the date indicates the change to the specification was the result of a legislative action. The letters *UC* following the date indicates the change was implemented as a result of

an Uncontested Classification Action pursuant to NRS 284.160. The letter *R* following the date indicates the class was established or revised retroactive to that date. The letter *P* following the date reflects a proactive (future) effective date resulting from an occupational study.

**TIME AND A HALF OVERTIME ELIGIBILITY** - The letter *N* (non-exempt) in this column indicates that employees in the classification are eligible to be paid one and one-half times their salary for overtime hours worked. The letter *E* (exempt) indicates that employees are excluded from overtime pay eligibility.

**OPEN / COMPETITIVE RECRUITMENT** - Three designations: *EL* (Entry Level) indicates the class may be recruited on an open competitive basis; *LPC* (Lack of Promotional Candidates) indicates the class may be recruited on an open competitive basis; and no designation indicates the class may not be recruited on an open competitive basis except as provided in NAC 284.295 and NAC 284.297.

**POLICE / FIRE RETIREMENT FUND** - The letter *Y* in this column indicates all employees in the class participate in the Police/Fire Retirement Fund. An appointee may elect Police/Fire Employee/Employer-Paid Retirement or Police/Fire Employer-Paid retirement at the time of appointment.

The letter *P* in the column indicates that some employees in the class may qualify for Police/Fire Retirement by virtue of having completed two years in a qualified Police/Fire class prior to promotion or transfer. The letter *P* may also indicate that some employees qualify for Police/Fire Retirement because a selected option in the class has been approved by PERS for that retirement fund.
